ELITE
MEDICAL RESPONSE
MANAGEMENT

Personal care. Local connections.

Medical transportation in Houston, with a personal point of contact for patients, families and care teams.

01 **Dialysis transportation**

Coordinate rides to your dialysis center and back home, including recurring treatment schedules.

02 **Medical appointments**

Ask about transportation for doctor visits, lab work and other medical appointments related to your care.

03 **Family & care-team support**

Patients, family members, caregivers and referring care teams can contact dispatch to discuss transportation needs.
